

Welcome to Mount Samson State School!

Next year, I'll be starting prep at Mount Samson State School.

I will have my very own hat, school bag and water bottle.

In the morning, before school starts, I'll sit in the Junior Undercover Area until the bell rings.

Then, I'll go
with the rest
of my
classmates to
the
classroom.

Before I go in,
I will take my
water bottle
out of my bag
and put my
bag on the
bag rack.

Then, I am
ready to
learn.

Every week, I will get to go to special classes for music and PE.

And, every day, I will get to see and do a lot of cool things!

I cannot wait to start school!
